

Northeastern Regional Association of State Agricultural Experiment Station Directors

We had an informative and engaging meeting in Baltimore; thanks to all of you that participated in the NERA spring meeting! We'd ask that you consider providing your reflections of the meeting (see [Action items](#)).

Action items:

- As a follow-up to the spring meeting, we ask that you share your reflections. What did you like about the meeting (and would recommend doing again)? What didn't you like? Should we plan the NERA spring meeting for the second week in March in 2018? Likewise, shall we hold the meeting again in the historic Admiral Fell Inn? Other comments or reflections?
- You'll see that we've incorporated a Twitter feed on the NERA website and a button to follow NERA. Follow [NERA!](#)
- ESCOP's Diversity Catalyst Committee is seeking a NERA replacement for Tim Phipps. We're seeking a volunteer, please apprise.

Reminders:

- All the NERA Spring meeting materials are available on our website including the PowerPoint presentations. Check <http://www.nerasaes.org/2017-spring-meeting-docs>

Informational items:

- The University of Delaware is searching for a Chair of Plant and Soil Sciences. Here's the link for the position: <https://apply.interfolio.com/41185>.
